The Hon. William Webster  
Director of Central Intelligence  
U.S. Central Intelligence Agency  
Washington, D.C. 20505

Dear Judge Webster:

Enclosed please find a photocopy of a comment I have submitted to the Central Intelligence Agency regarding the Agency's proposed implementation of the Freedom of Information Reform Act of 1986. Because of your experiences as a Federal judge here, I thought my comment might strike a particularly responsive chord with you. Also, unfortunately, I doubt that you will hear from very many of my colleagues about this matter.

If I may answer any questions about the comment or the issues I raise in it, please do not hesitate to contact me.

Finally, belated congratulations on your new duties. I certainly hope you will be as successful at the CIA as you were at the FBI. I am sure you will have to keep a fairly low profile as DCI, and I will miss your frequent speeches detailing the FBI's latest efforts and exploits to the various groups here in St. Louis.

Sincerely yours,
